Favorite Part About LUA

My favorite part about working at LUA is the people (staff, students, and families)! Together we are a strong community with teacher-powered practices. It is a welcoming and safe environment and I look forward to coming each day.

Favorite LUA Pillar

wePERSONALIZE

wePERSONALIZE! Each student learns differently and we live in a world that tends to operate by a "One Size Fits All" mindset. At LUA, students choose to learn according to their preferred learning style and receive an individualized pathway that they take at their speed.

Why I Became an Educator

I think of myself as a lifelong learner. I love seeing students experience success and overcoming challenges. Making relationships with my students and watching their confidence grow is the most rewarding experience.
