

# All About...

## Jenny Diederich

Special Education

### My Top 5 Strengths:

Achiever  
Learner  
Restorative  
Developer  
Focus

#### Favorite Part About LUA

I love that students receive a personalized learning experience here. I also love that classrooms are small and technology and games are integrated in the classroom.

#### Favorite LUA Pillar

##### weCONNECT

I chose this because to me, connection and relationships are the most important factor in working with special education students. Once a strong rapport is established, learning and developing of skills is limitless.

#### Why I Became an Educator

I became a special education teacher because I have always been drawn to supporting and advocating for students who learn differently than others. I am passionate about working with students to reach their full potential and focusing on what the individual needs to be their best.
