Favorite Part About LUA

I love that all staff and all students either know and understand or will learn that we are all working, on a personal level, toward goals and helping each other attain them.

Favorite LUA Pillar

weENGAGE

weEngage - because of how we do and try many different things to reach our students; we do not rely on one method.

Why I Became an Educator

I have taught many other things to children and adults for most of my life. Moving into a school just felt like a natural transfer.
