About LUA

Being a charter school, we have a say in what we think is best for our students.

LUA Pillar

wePERSONALIZE

wePersonalize because not all students have the same learning needs. It's important to understand how a student learns best to help them reach their full potential.

Why I
Became
an Educator

I became a teacher because I love working with kids. I enjoy helping students learn how to reach their full potential and supporting their journey in becoming life long learners.
